Chautauqua Festival 2017
Activity in Program

All activities that are to be printed in the program need to have this sheet filled out and handed into Matthew Frusher no later than May 8, 2017. Any questions please contact Matthew at 619-248-9228. Please include description or attach a press release about event if you wish to advertise. There is limited about of newspaper coverage we have, so not everything will have a press release, but I will try my best! The earlier these are received the better chance in getting an article in the newspaper. **Please fill one form out for each activity even if it repeats throughout the week.**
